1. I petitioned the FBI for information under the Freedom of Information Act. Every time I sent this petition, I got a form letter denial. I was defrauded out of some \$ 5,000,000.00 I met with 3 FBI agents in person and turned over files to them over 4 years ago. I went into the FBI office where these meetings occurred and also made a request in person. The response was, " We have no record of you ever being in our office". This puts me now in a position of being in fear for my life and the safety of my wife and children.

I am petitioning the court to simply enter an order compelling the FBI to respond to my demands for this information through the " Freedom of Information Act."
